CIVIL-6

*Qualifications for Rule 27(14) Court Reporters*

---

Rule 27(14) requires that examinations for discovery be conducted before a reporter certified by a justice of the Supreme Court of Yukon or certified in another jurisdiction.

In order to be certified by a justice of the Supreme Court of Yukon, a reporter must provide the following to the Clerk of the Supreme Court:

- proof of current enrollment as a notary public;
- *a curriculum vitae*;
- one piece of government-issued photo I.D., and;
- three references.

Once approved of by a justice of the Supreme Court, the reporter shall appear for an appointment and sign the Declaration attached as Schedule A.

A record of certified reporters will be kept by the Clerk of the Supreme Court and made available on request. The certification of a court reporter may be revoked by a justice of the Supreme Court on the basis that the reporter is no longer a notary public or that the reporter has failed to abide by the terms of his or her Declaration.

The option of using video-conferencing with a certified court reporter present in another jurisdiction may be discussed in case management.
