

IN THE TERRITORIAL COURT OF YUKON

PRACTICE DIRECTION
ADMIN-1

Management of Practice Directions

All previous practice directions are repealed.

Practice Directions for the Territorial Court of Yukon are grouped into six areas: Administrative (ADMIN-), Court Practice (CP-), Documents and Authorities (DOC-), Applications and Assessments (APP-), Technology (TECH-) and Civil Practice (CIV-).

Each practice direction is assigned a sequential number within the group to which it belongs. New practice directions will receive the next sequential number available within the relevant group. Practice directions may be updated and replaced, but the number assigned to a practice direction that is repealed will not be reassigned.
