

## IN THE TERRITORIAL COURT OF YUKON

---

PRACTICE DIRECTION #20

*Special Equipment Required for Trial*

---

When counsel require special equipment for trial, including but not limited to video equipment (the conference phone, a flip chart, et cetera), counsel must advise the Senior Clerk of the Court of their requirements as soon as possible, and no later than the close of business the day before the trial.

If special equipment is needed on a Court Circuit, then counsel must advise the Senior Clerk of the Court as soon as possible, and no later than two days prior to the Court Circuit.
