

IN THE TERRITORIAL COURT OF YUKON

PRACTICE DIRECTION #7

Settlements and Adjournments

It is incumbent upon every counsel in an action or application to notify the trial coordinator immediately when a trial will not proceed owing to a change of plea, a settlement is reached or there is the possibility of an adjournment.

All counsel shall also notify the trial coordinator as soon as the *likelihood* of settlement or adjournment becomes apparent so that the trial coordinator can tentatively book replacement matters.
