

SUPREME COURT OF YUKON

NOTICE TO THE PROFESSION AND THE PUBLIC

March 5, 2021

Chambers Records and Outlines

This notice is a reminder of the material to be filed with the court before the hearing of applications and petitions that are opposed and scheduled for 30 minutes or more.

An outline must be delivered by the applicant to each respondent with or after delivery of the applicant's reply affidavit at least **7 days** before the hearing date (Rule 48(10)(a)(i)).

A responding outline must be delivered to the applicant at least **3 days** before the hearing date (Rule 48(10)(a)(ii)).

It is not necessary to file the outlines with the court at those times.

A chambers record must be delivered by the applicant and filed with the court **2 days** before the hearing date (Rule 48(10)(f)). The content of the chambers record is set out in Rule 48(10)(c) and (d).

If the respondent intends to bring an application for hearing at the same time as the applicant's, the parties must, if possible, prepare and file a joint chambers record with the court **2 days** before the hearing date (Rule 48(11)).

In some cases, an outline and/or a chambers record may not be necessary, because of the nature of the application or petition – for example, it is straightforward, with few supporting affidavits. In such cases, direction from the court must be sought by the parties either in case management or in court when setting the hearing date, or by email to the Registry, in advance of the filing deadline.
