SUPREME COURT OF YUKON

PRACTICE DIRECTION
General-28

Urgent Materials

Occasionally, the presiding judge in a court hearing, pre-trial, case management or settlement conference will direct material to be sent to them for review on an urgent or time sensitive basis.

In these cases, counsel or the self-represented party shall email both judicial assistants with this material at sherry.unland@judicloud.ca and paige.bevilacqua@judicloud.ca.

The presiding judge will decide if the material should be filed.
