**RULING ON APPLICATION FOR ADJOURNMENT AT TRIAL  
DELIVERED FROM THE BENCH**

[1] GOWER J. (Oral): I am prepared to grant the adjournment on this basis. I am going to ask that this covering memo and the doctor's note be marked as an exhibit on the trial.

[EXHIBIT 3: Covering Memo and Note from Doctor Saleena Djearam]

[2] I do not think it is appropriate in these circumstances to make the adjournment conditional on the payment of costs or spousal support arrears, because this is not intentional conduct on Ms. R.'s part. So, I am declining to order any costs or arrears.
