Appearing for the Respondent

**REASONS FOR JUDGMENT
DELIVERED FROM THE BENCH**

[1] KEYSER J. (Oral): It does not look like he has any intention of appearing. My file notes the same comments, that he was advised at least on two occasions after the appearance by telephone. He has had ample opportunity to get in touch with someone if he did not want to proceed today. It is 10:06 a.m. For the record, Mr. Peters has been paged, and has not appeared.

[2] His appeal will be dismissed.
