DELIVERED FROM THE BENCH**  
(Qualifying Dr. Anzarut as an expert witness)

---

[1] VEALE J. (Oral): I am going to rule that Dr. Anzarut is qualified as an expert in neurology to give evidence, specifically with respect to the current medical condition of Ms. D. and the potential emotional and physical impact that may result on her condition from the court process. In other words, whether or not it will give rise potentially to trauma or harm.
